#### RICHMOND BY-LAWS.

##### A BY-LAW

*To enable the Corporation of the Township of Richmond, in the Province of British Columbia, to raise, by way of Loan, the sum of Twenty Thousand Dollars, for the purposes therein set forth, and to authorize the issue of Debentures therefor.*

**W**HEREAS a petition has been presented to the Reeve and Council of the Corporation of the Township of Richmond, dated the 18th day of March, A. D. 1893, representing more than half of the value of land or real property (as shown by the last revised assessment roll) registered in the names of actual residents in the said Municipality of Richmond, as provided in section 112 of the "Municipal Act, 1892," requesting the said Reeve and Council to pass a by-law to authorize the borrowing of fifteen or twenty thousand dollars, to pay for certain work done by McLean Brothers and George Oliver, as hereinafter set forth, in Wards Two and Three, and to give to the remaining wards in the municipality, viz., Wards One (1), Four (4), and Five (5), a proportionate share of money for expenditure within them, and to aid in building a bridge across the North Arm of the Fraser River from the north end of the road known as Road Number Five (5), in the said municipality, across the islands known as Twigge's and Mitchell's Islands, to the wharf at the south end of the old North Arm Road:

And whereas the said Reeve and Council are of the opinion that it is desirable and expedient to grant the prayer of the said petition, and to issue for the purposes aforesaid debentures of the said Corporation for the sum of twenty thousand dollars (\$20,000):

And whereas it will require the sum of \$1,000 to be raised annually during the term of fifty years for the payment of interest as hereinafter provided, and the sum of \$200 to be raised annually for the purpose of forming a sinking fund for the payment of the debt when the same becomes due, the said sinking fund to be placed at interest and the same to be capitalized annually:

And whereas the amount of the whole ratable property of the said Municipality of Richmond, according to the last revised assessment roll, is \$1,528,728.00:

And whereas, in order to provide the said sum of \$1,000 for the payment of interest, and \$200 for sinking fund, it will be necessary to levy an annual special

rate sufficient to raise the same on all the ratable land or improvements or real property in the said municipality:

And whereas the present indebtedness of the said municipality is \$100,000.00:

Be it therefore enacted by the said Reeve and Council of the Corporation of the Township of Richmond, in Council assembled, in accordance with the provisions of the "Municipal Act, 1892," and the "Municipal Act Amendment Act, 1893:"

1. That it shall be lawful for the Reeve and Clerk of the Municipal Council of the said Corporation to borrow the sum of twenty thousand dollars on the credit of the said Corporation, and to issue debentures of the said Corporation to that amount, in sums of not less than one hundred dollars each, and made payable on or before the first day of June, A. D. 1943, at the Bank of British North America, Vancouver, B. C., the said debentures to be signed by the said Reeve and Clerk, sealed with the seal of the said Corporation, and shall have coupons attached, signed by the said Reeve and Clerk, for the payment of interest.

2. That the said debentures shall bear interest at the rate of five per cent. per annum, and such interest shall be made payable half-yearly, at the said Bank of British North America, Vancouver, B. C., on the 1st day of June and the 1st day of December in each year, during the time the said debentures have to run.

3. That for the purpose of providing the sum of \$1,000 annually for the payment of interest at the rate aforesaid, and \$200 annually for the purpose of forming a sinking fund for the payment of the said debentures when the same become due, a special annual rate sufficient to pay the said amount shall be raised, levied and collected on all the ratable land, or improvements, or real property in the said Municipality of the Township of Richmond, in each and every year during the currency of the said debentures or any of them.

4. The proceeds from the sale of the said debentures shall be placed to the credit of the said Corporation by the said Reeve and Clerk, at the said Bank of British North America, Vancouver, B. C.

5. That the proceeds of the sale of \$4,000 of the said debentures shall be placed to the credit of Ward One (1), \$2,000 of which shall be expended on the road on the north side of Sea Island; \$750 to be used to pay part of George Oliver's bill as aforesaid, \$750 on Roads 12 and 13, and the remaining \$500 to be paid towards the cost of construction of the proposed bridge across the North Arm of the Fraser River.

6. That the proceeds of the sale of \$8,000 of the said debentures shall be placed to the credit of that part of the municipality which formed Wards Two (2) and Three (3) in the year 1891; that out of this amount shall be paid to McLean Brothers \$4,970.20, being the unpaid balance of their bill for work done in those wards, and \$1,967 to George Oliver as part payment of the amount still due him for work done in Ward Three (3); \$500 of the balance shall go towards paying for the construction of proposed bridge across the North Arm of Fraser River, and the remainder be used for repairing Road No. 2, between Road No. 9 and the South Arm of Fraser River.

7. That the proceeds of \$4,000 of said debentures shall be placed to the credit of Ward Four (4); that out of this amount \$1,200 shall be paid for constructing a wharf at the south end of Road No. 5; \$500 shall be used for improving Road No. 5, south from Road No. 9; \$200 shall be used for the purpose of widening Road No. 4, from Road No. 9 to Green's Slough; \$500 shall be used towards paying for the construction of proposed bridge across the North Arm of Fraser River, and the balance or remainder shall be used for paying for improvement on Road No. 3, within Wards Three (3) and Four (4).

8. That the proceeds of \$4,000 of the said debentures shall be placed to the credit of Ward Five (5), \$3,500 of which shall be used towards paying for the construction of the proposed bridge across the North Arm of the Fraser River, and the remainder to be used for repairing and improving Road No. 17 east, lying east of Road No. 5.

9. That in case the proposed bridge across the North Arm of the Fraser River should not be con-

structed, or the construction of the same be not begun within the next two years after the final consideration and passing of this by-law, the money set aside by the provisions of this by-law to be paid from the several wards for that purpose may be used for other purposes to which the Reeve and Council may see fit to apply the same within the respective wards.

This by-law, before the final passing thereof, shall receive the assent of the electors of the municipality, in the manner provided by the "Municipal Act, 1892," and the "Municipal Act Amendment Act, 1893," and shall not be altered or repealed except with the consent of the Lieutenant-Governor in Council.

That Thomas M. Rae is hereby appointed Returning Officer to take the vote of the electors of this municipality on this by-law.

This by-law shall come into force and effect on the 16th day of June, A. D. 1893.

That this by-law may be cited for all purposes as the "Richmond Loan By-law, 1893."

Passed its first and second readings this 20th day of May, A. D. 1893.

Received the assent of the electors on the 5th day of June, A. D. 1893.

Passed its third reading this 5th day of June, A. D. 1893.

Reconsidered and adopted and the seal of the Corporation attached, this 10th day of June, A. D. 1893.
